

## PRODUCT SPECIFICATION

PRODUCT C.I. NAME. : IRIS VIOLET 4061  
(C.I PIGMENT VIOLET 19)

C.I. NO. : 73900

CAS NO. : 1047-16-1

Common Chemical Name : None  
Synonyms : Self Dispersing of C.I.  
Pigment Violet 19

Molecular Formula : Mixture  
Chemical Family : Pigment Dispersions  
Molecular Wt. : Not Applicable

Chemical Name : CAS  
C.I. Pigment Violet 23 : 1047-16-1  
Color : Violet  
Form/ Appearance : Powder  
Odor : Odorless  
Pigment Contents : 50%

*Nature:- Iris Violet 4061 Colorants are pre-dispersed with anionic dispersing agent of organic & in-organic Pigments which all are water dispersible.*

*Physical Form:- Micro Fine powder*

*Storage:- Keep in dry place, the shelf life is one year.*

### USES:

- ▶ Architectural Coatings
- ▶ Textiles pastes
- ▶ Building material (cement)
